

My name is Waweh.

I come from Burma.

I came to Canada in 2004 in September. I didn't always come to Scholl because I had a baby and I went to work. I like school very much. My teacher is very good and nice. She helps me. She teaches very well. I love my teacher. I learned about Canadian maps, food, directions, summer sports, the seasons, camping and much more.

I like my class. I had a good time this year. I hope everyone has a good summer. I want to say thank you to my teachers and to everyone in the office upstairs. Thanks you.
